

WE ❤️ U!

Act to protect what you love.

6. Protect.

Joy is the thread that weaves our lives together. Create joy and share it. Joy and celebration are as important as hard work and determination. Joy is the lifeblood of community.

5. Create Joy.

Community is a reciprocal dance, there is a time to follow and a time to lead. Ask for support and the community will answer the just as you answer the community.

4. Ask For Help.

Actively addressing needs of those you care about (remember those neighbors?). When we support each other we are making a safer world for each other (which includes you).

3. Mutual Aid.

WFARC Zines

Why Are We Making Zines?

The White Folks Anti-Racism Caucus (WFARC) have been working to make HIV spaces safer for our Black and Brown siblings. We are working on ourselves because we know we have done harm. We also want to get more white folks to do anti-racism work with us.

You can help!

Act There are a lot of white people to reach! We would appreciate you sharing our zines far and wide. Act on something you learned from one of our zines. There is no change too small. Every tweak gets us closer to liberation for all.

Join We would love for you to join us in this work. The White Folks Anti-Racism Caucus meets every other Thursday via zoom. We also hold public education sessions from time to time. Request to join our listserv at barb@pwn-usa.org.

Donate We are raising funds to help further our work. We value the insight and benefit from the lived experiences of people of color and we are committed to pay for that expertise. If you agree and have the means, please consider making a donation. You can use the QR code on the back of any of our zines.

Instructions: How to Make Your Zine

Step 1

Print out your zine at 100% (no scaling) on letter size paper.

Step 2

Fold the paper in half longways, following the line. Unfold it.

Step 3

Fold the paper in half sideways, following the lines. Fold it again in half sideways.

Step 4

Unfold everything. You should see 8 rectangles.

Step 5

Fold the paper sideways again.
Cut ONLY the center fold halfway (dashed line)

Step 6

Unfold slightly, then push the two sides inward to form a small book. Fold it flat — now you have your fanzine!

Step 7

Enjoy your zine!
